GPA COMPUTATION

The GPA is determined by adding the equivalent quality points, divided by the total number of semester credits. The GPA is taken from all scores earned in grades 9-12. Grades transferred from other schools are converted to the CLS grading scale. Starting 2019-2020, honors designations were removed from class titles and all classes were taught at an honors level. Honors courses prior to 2019-2020 are weighted. Honors-level transfer courses completed during or after 2019-2020 receive the honors designation in the course title but are not weighted.

| | |
|---------------------------|-------|
| Honors courses weighting | A=4.5 |
| AP course weighting | A=5.0 |
| Dual Enrollment weighting | A=5.0 |

CLASS RANK: Christian Life High School does not rank its students.

GRADUATION RATE: 99% of students entering 9th grade graduate.

TECHNOLOGY SERVICES

Technology services include email for all 5th-12th grade students, Google for Education, and Naviance. Blackbaud used for online student account management. Advanced, high-speed internet connectivity enables video communication services and text-based communication to remove locations. Internet and wireless accessibility is filtered and available to students and staff as well as four computer labs. Each student in the upper school is assigned their own Chromebook, making the CLS Upper School a 1-1 school.

LEARNING SUCCESS CENTER

The Learning Success Center (LSC) is the learning hub of Christian Life Upper School. Students are provided a quiet place to study, conduct research, check out a book or find help in a subject. Included in the LSC is the Tutoring Center that has two tutors on staff every hour to help students in any subject including Math/Science and English/History. The LSC has access to BadgerLink through the Wisconsin Department of Public Instruction as well as reference and periodical resources.
